UZCHARMSANOAT

Today the Association unites about 700 enterprises engaged in slaughtering, leather processing, shoe production, leather goods, components and fittings, chemicals for the footwear industry and other products. Intra- and intersectoral cooperation has been established and continues to develop.

The bottom line is that companies of the same or different profiles come together to achieve a common ambition. An example is the leather and footwear clusters operating in the industry, which concentrate all stages of production in one complex: "from raw materials to finished products", saving time and money, working for quality.

The Association helps its enterprises and entrepreneurs wishing to grow in the leather and footwear industry to develop a business idea linked to demand, raw materials and production potential. Practical assistance includes finding foreign investors and attracting investment.

OUR BRANDS

**A RELIABLE BRIDGE
BETWEEN ENTREPRENEURS
AND THE STATE**

**THE MOST EFFECTIVE MECHANISM
IN SEARCHING PARTNERS
IN UZBEKISTAN AND ABROAD**

**BEST ADVISOR
IN BUSINESS
DEVELOPMENT**

The "Uzcharmsanoat" Association was reorganized in accordance with the Decree of the President of the Republic of Uzbekistan (PP-3693 of 3 May 2018) "On measures to further stimulate the development and growth of the export potential of the leather footwear and fur industries»

MAIN AIMS AND OBJECTIVES OF THE ASSOCIATION

ACHIEVE MORE BY UNITING INTERESTS!

INTRA-INDUSTRY COOPERATION

Within the framework of intra-industry cooperation, reciprocal rates of natural leather, sole, synthetic leather, toe protectors, glue, PVC, fittings, polyurethane stems, PFC stems, FPR plasticizers and other goods, raw materials and consumables for enterprises of the industry are established.

IMPORT SUBSTITUTION AND LOCALIZATION

Today, 64 companies belonging to the Association are engaged in the production of localized products. Products such as artificial leather, shoe pads, chemicals and shoe soles, gelatin, polyurethane, glue, DOF plasticizer, EVA raw materials have been developed.

SUPPORT TO LOCAL PRODUCERS

The Association conducts systematic marketing studies of domestic and foreign markets in the leather-footwear, fur and wool segments, supports the expansion of export potential of industries, wide introduction of modern methods of processing raw materials and production of finished products using the latest innovations in modelling and branding, as well as advanced information technologies and automated management systems.

ESTABLISHMENT OF NEW AND MODERNIZATION OF EXISTING ENTERPRISES

In **2022-2026** it is planned to implement **490** investment projects for the creation of new enterprises, modernization and reconstruction of existing ones. The Association also assists in obtaining loans from the Reconstruction and Development Fund of the Republic of Uzbekistan for the purchase of modern new equipment and technologies for up to **7** years, including a two-year grace period with an interest rate of **6%** per annum.

INTEGRATION

Association «Uzcharmsanoat» provides quality integration of science, education and production. It helps to saturate the market with highly qualified personnel. It serves as a bridge between the industry and government.

EXPORT PROMOTION AND DIVERSIFICATION

Today leather and footwear products under the brand «Made in Uzbekistan» are delivered to more than **40** countries of the world, among them are **Russia, Portugal, Turkey, China, UAE, USA and Brazil**.

PROTECTION OF LEGITIMATE RIGHTS AND INTERESTS

The "Uzcharmsanoat" Association protects the rights and legitimate interests of the companies and its member enterprises, including in case of relations with bodies of the public and economic board, public authorities on places, in the course of conducting checks by monitoring bodies, and also by hearing of cases in courts.

WHY IS INVESTING IN THE LEATHER- FOOTWEAR AND FUR INDUSTRY IN UZBEKISTAN SO PROFITABLE RIGHT NOW?

01

A great amount of raw-material
base in the local market and
in neighboring countries.
Large and growing economy

02

Support for intra- and
cross-sectoral cooperation,
cluster development

07

Qualified personnel

06

Logistics:
Convenient
location of
transport
infrastructure.
Access to the world's
largest and fastest-growing
markets

05

Uninterrupted supply
of utilities
*Electricity Gas Water
And others*

03

State support
